

A comprehensive guide to SANUM therapy

Description:	A comprehensive guide to SANUM therapy according to Prof. Enderlein
Language:	English
Author:	Günter Weigel
Type of article:	Book
Teaser:	<p>This book concerns itself with medical integrated concepts according to Professor Enderlein. The author explains as to how with mainly non-symptomatic treatment, impressive therapy success can be achieved with a large range of diseases by using only a few of the SANUM remedies.</p> <p>It is a book from the Prctice for the Practice and indeed also for therapists who have had very little or no previous experience with the SANUM preparations. The detailed therapy plans are in longstanding use and are repeatedly confirmed through their success, also giving a deep insight into the author´s holistic methods of treatment.</p>
